

YACHTLINE

360 / 400 / 440 / 490

The Zodiac® YACHTLINE series has been specifically designed to complement your Yacht and focuses on convenience. The bow teak step, combined with the teak covered rear steps, facilitate hassle-free boarding. This ease of boarding, coupled with a newly designed, mooring friendly bow rail, make the Zodiac® Yachtline the premiere yacht tender on the market.

In order to occupy as little space as possible on your boat, Zodiac® Yachtlines feature a compact design. However, interior seating was not compromised in the series, and every Yachtline features comfortable seating for all passengers.

Conveniently located spacious lockers provide valuable storage space.
